QUEENSLAND

Souvenir of The Great War 1914-1919

Compiled by Alderman W. A. Jolly, Mayor of Windsor

Don. by Miss S. Hall
51 Acacia Avenue
Northgate 8.3.1983

Town Council Chambers, Windsor.

INTRODUCTION

THE object of this booklet is to place upon permanent record the part that the Town of Windsor has played in the Great War of 1914-1919. The Town has every reason to be proud of its magnificent contribution of men. It will be seen from the Honor Roll that some 1,100 of the best of our manhood responded to the Call of the Empire. Not only did these men respond nobly, but they have fought and died nobly. We have, indeed, been thrilled as we have read of their pluck, grit and determination which is unparalleled in the history of the world. This is fully demonstrated by the fact that one hundred and twenty-five (over 10 per cent.) of our brave boys have given their life for their country, numbers have been severely wounded and many have won honors for distinguished service. Words fail us to in the least degree adequately express our great indebtedness to these brave soldiers. When we think of those fine young men, just at the threshold of life, who have paid the supreme sacrifice, those who will go through life handicapped by the wounds of battle, of the privations, hardships and painful experiences these men have gone through, we can only say: "Thank God, their efforts have not been in vain and we are still a free people." What a responsibility is upon us to build up a nation worthy of all this stupendous sacrifice!

Our hearts go out in deep sympathy to the Mothers, Fathers, Wives, Children and all whose

loved ones will never return. Truly, they have borne a part of the great sacrifice of the War.

The report of the Patriotic Work generally carried on in the Town during the period of the War will indicate that the citizens of Windsor were at all times ready and willing to stand behind the boys who were fighting for them. Almost immediately on the outbreak of War a start was made, and right to the end the people were just as keen on seeing the job through. This is fully evidenced by the work done just before the close of the War. In connection with the big Red Cross Appeal, held in July, 1918, the goal was fixed at £1,000, and the citizens responded with £1,300, and a few months later over £800 was contributed for Repatriation purposes, and at the same time something like £50,000 was subscribed to the War Loan. This, of course, is in addition to much service and giving in other directions. Every effort has been made to secure the names for publication of every man who has enlisted from Windsor, and it will be deeply regretted if any have been missed. The number of Patriotic Workers have been so many that it is regretted that want of space will not permit of more than the mention of the Office Bearers of the various organisations.

In conclusion, I would state that I am deeply indebted to the Town Clerk (Miss A. Thorpe, B.A.) for valuable assistance rendered in compiling this booklet.

Council Chambers,
Windsor.

W. A. JOLLY,
Mayor of Windsor.

11th September, 1919.

Windsor Red Cross Society.

The Windsor Red Cross Society

■

SHORTLY after the Great War broke out the people of the Town of Windsor realised the gravity of the position and also how true it was that our gallant men who were going to the front required more than a rifle and a bayonet to defeat the enemy. They would require warm, clean clothes, special food luxuries and medical comforts. Action was taken at once and the Windsor Branch of the Red Cross Society formed. The first meeting was held in September 1914—not a month after the outbreak of hostilities—and since that date the members have continued to meet every Wednesday morning for the purpose of knitting socks, cutting out, sewing and completing warm clothes and underwear etc., and as an evidence of the good work done in this direction it might be mentioned that the Branch has sent into Headquarters 5,600 garments since its formation. When the Rosemount Hospital was opened for sick and wounded soldiers the Windsor Branch took the care of this Institution as their special work. The hospital was kept supplied with delicacies, flowers etc. for the wards and mending was done and concerts arranged from time to time. In this direction the good deeds of the members of the Windsor Red Cross Workers will long be remembered. Many a soldier will bless them for the companionship, the sympathy and the many comforts provided by the women of Windsor, but most of all for the unbroken sympathetic interest shown by one and all. It was no light task and our womenfolk showed that they were as dauntless as the boys at the front. Fifty beds had to be furnished with their complements of linen; and towels, pyjamas, dressing gowns, etc. were all urgently required. There was no hesitation—the work had to be done, and the members of the Windsor Red Cross Society commenced and finished their arduous task without a rest or a murmur. During the past two years Rosemount has been used as an Orthopaedic Hospital and the Windsor Red Cross Branch has attended to sewing and mending and also provided flowers to brighten up the surroundings for the patients.

Each year a pair of socks with Christmas Greetings has been sent to all relations of members who were serving at the front. The Branch has also given assistance to the Red Cross Kitchen and on the first Wednesday in each month the members brought delicacies for that institution.

In addition to the work of providing warm clothes and comforts for the men at the front the Windsor Branch recognised that the campaign could not be carried on without money and the result of their voluntary efforts was that over £2,000 was raised for Red Cross purposes.

The Wilston-Newmarket Branch Red Cross Society

The late Mrs. T. Gardiner was President for the first year then Mrs. J. E. Burnard and for the past three years Mrs. R. B. Lane has occupied this position.

Mrs. A. W. Bale has occupied the position of Secretary since the formation and for part of the time also the Treasurership.

Mrs. T. A. Underwood has held the position of Treasurer for the past three years.

Wilston-Newmarket Branch Red Cross Society

WITH the object of enabling the women of Wilston and Newmarket districts to come together and do Red Cross work a branch was formed in the district on the 28th July, 1915. The members have since met weekly for the purpose of sewing. The number of garments made during the period was 2,678 and in addition to this the branch collected and made up 474 parcels of foodstuffs which we sent to Headquarters.

The total funds collected during the period amounted to £514/16/6.

The members of the branch rendered every assistance in connection with all Red Cross efforts in the town and other patriotic work generally. Taking into consideration the limited area, and population that the branch had to work on, the results achieved are very fine indeed.

The following have been office bearers of the Branch:—

Mrs. Murrell was president of the Branch for the first year, then Miss Graham, who has held the position for the past three years.

Miss M. Nicholson held the position of Treasurer for the first two years and Mrs. Prior for the past two years.

Mrs. Cooling was the first Secretary followed by Mrs. C. W. Weller then Mrs. C. C. Tipping.

Windsor Motor Ambulance

DURING Alderman and Mrs. C. Taylor's term as Mayor and Mayoress of Windsor they organised an effort to purchase a Motor Ambulance to be donated as a gift from the citizens of Windsor, and to be used in connection with one of the Australian Units. The total cost of the car with complete equipment amounted to about £500. The raising of the necessary funds was so successfully carried out that the amount required was over subscribed by some £150 and the surplus was donated to the Y.M.C.A. Hut and the Travelling Kitchen Funds. The car was handed over to the proper authorities in England by the Agent General (Sir Thomas Robinson) at the end of 1915 and was later seen in operation at the front by some of the Windsor boys. The following were office bearers of the committee to organise this effort. *President*, Mrs. C. Taylor, *Secretary*, Mrs. W. Grave, *Treasurer*, Mrs. J. H. Henzell.

His Excellency, the Governor presenting Cottage to Private Barnett (Blind Soldier) and Mrs. Barnett, on 14th December, 1918.

Cottage for Blind Soldier

■

ON the 14th December, 1918, His Excellency the Governor (Sir Hamilton Goold-Adams) handed over to Private and Mrs. Barnett as a gift from the citizens of Windsor a six roomed Cottage fitted up with every convenience both inside and out and erected on one and a half acres of land situated in Wesley Street, Lutwyche.

The Mayor in inviting His Excellency to hand over the Cottage, stated that the land, valued at £200, had been donated by Mr. F. Marsden and that the value of the house and land complete was estimated at £800. The labour had been supplied free by the builders and tradesmen of the district. Ald. J. McDonald supervised the erection of the Cottage and had the able assistance of Aldermen J. R. Wyllie and R. Blake, Mr. J. Orr and some 70 different willing workers.

The ladies of the district supplied refreshments to the men whilst working on the job.

The following were the office bearers of the Committee appointed to raise the fund which was over subscribed by some £30, the surplus being used for Repatriation purposes. *Secretary*, Mr. R. Fullerton, *Treasurer*, Miss Thorpe.

Memorial Park

■

IT is the intention of the Town Council to beautify the old Bowen Bridge School grounds (which have been vested in the Council by the Department of Public Instruction) as a Memorial Park and upon which it is intended later to erect a fitting Monument to our soldiers. This ground is situated in the centre of the town, and plans have been prepared for its proper laying-out as a beauty spot. A number of returned soldiers are now engaged upon the work. The Town Council has made an application to the proper authorities for one of the captured German guns to be placed in the grounds.

Windsor Girls' Club

THIS Club was formed in February, 1918 with the object of bringing the young women of the town together for the purpose of helping Patriotic efforts. The club has rendered great assistance in arranging socials, etc. to raise funds for the Red Cross Society, Blind Soldiers Cottage and Repatriation Funds as well as assisting in street collections. The members of the club supplied towels, pyjamas, etc., for the Grange Military Hospital and also provided Christmas Gifts for the Boys at the front. Entertainments were also arranged at the Military Hospital.

Miss A. Thorpe was the first President followed by Miss B. Fullerton. The first Secretary was Miss Watson then Miss A. Campbell and Mrs. Jacobson held the position of Treasurer.

Windsor State School

State Schools

■

THIS record would be incomplete without some recognition of the splendid services rendered by the Boys and Girls of the Windsor and Woolloowin State Schools. At the request of the Branch of the Windsor Red Cross Society the Headmasters Messrs. F. Papi and W. F. Bevington kindly permitted and made arrangements for the collection of gifts from the scholars from time to time for the benefit of the Red Cross Kitchen. The scholars responded nobly to these appeals and it would be impossible to estimate the total value of the magnificent contribution made in this way. The results reflect the greatest credit on the parents, scholars and teachers who organised these collections. In connection with the big Red Cross Appeal of 1918 these two schools provided a stall each for a fete held in the Windsor School of Arts grounds. The proceeds from the Windsor Stall amounted to £250 and the Woolloowin Stall £170. The whole of the goods were provided by the children and the arrangements were ably supervised by the teachers under Miss Bond (Windsor) and Mr. W. F. Bevington (Woolloowin).

□

Repatriation

■

HEAVY the work was in helping our men to win the war, and as soon as the men began to return, the repatriation of the returning men was not overlooked and a Local Repatriation Committee was formed. Work was commenced at once and many needy and deserving cases were attended to and their necessities relieved. However the bulk of the work in connection with repatriation has yet to come but it will be tackled with the same determination and energy that has marked the whole of the war work. The repatriation of our gallant soldiers is a matter in which all can assist—some with their money and others by rendering services to the returned soldiers and their dependents. The people of Windsor realise that they would indeed be ungrateful and unworthy if they failed to realise the heroic sacrifices which have been made for them and there will be no hesitation in doing their duty to those who have been disabled and those dependent upon them.

Woolloowin State School.

Wilston Boy Scouts.

The Boy Scouts

How they helped their Mothers and Sisters

■

THE example set by the Windsor mothers and sisters stimulated the boys who soon showed their anxiety to assist in winning the war waged against us by the Central European Nations and the Turks. They fell into line with the Red Cross Workers and—not being old enough to take their place in the firing line—rendered splendid service in the sphere in which their labours were of use. The Wilston Boy Scouts made up some 50,000 roller bandages for the Red Cross Society and the Defence Department in addition to a large supply of walking sticks and assisting in Red Cross work generally. The boys are entitled to honourable mention in that the Wilston Boys' Troop won the first prize (presented by His Excellency the Governor) the best Boy Scout Troop in Queensland, two out three competitive years. Scout-master McLachlan is in charge of this troop and is assisted by Assistant Scout-masters T. Turpin and G. Blair. As a recognition of the splendid work done by the boys in our fight for freedom efforts are to be made at an early date to assist the boys to secure a building in the district where they can have their headquarters and conveniences for exchanging views and formulating new schemes for the advancement of the objects they have in view.

□

The Churches

■

IT would be indeed ungrateful if we did not fully recognise the grand work which has been done by the Churches during the whole period of the war. At all times the ministers and congregations have given their best help whenever it was required. The Ministers have had many hard duties to perform, from time to time, when the news has arrived that one of our boys has been seriously wounded or has made the supreme sacrifice it has been the duty of the Minister to break the sad news to the parents and to comfort and cheer them in their sad moments of trouble. We may surely believe that many bereaved parents have had their heavy load of sorrow lightened through the kindly offices of the Ministers of the Churches in the Windsor district.

Send-off Committee

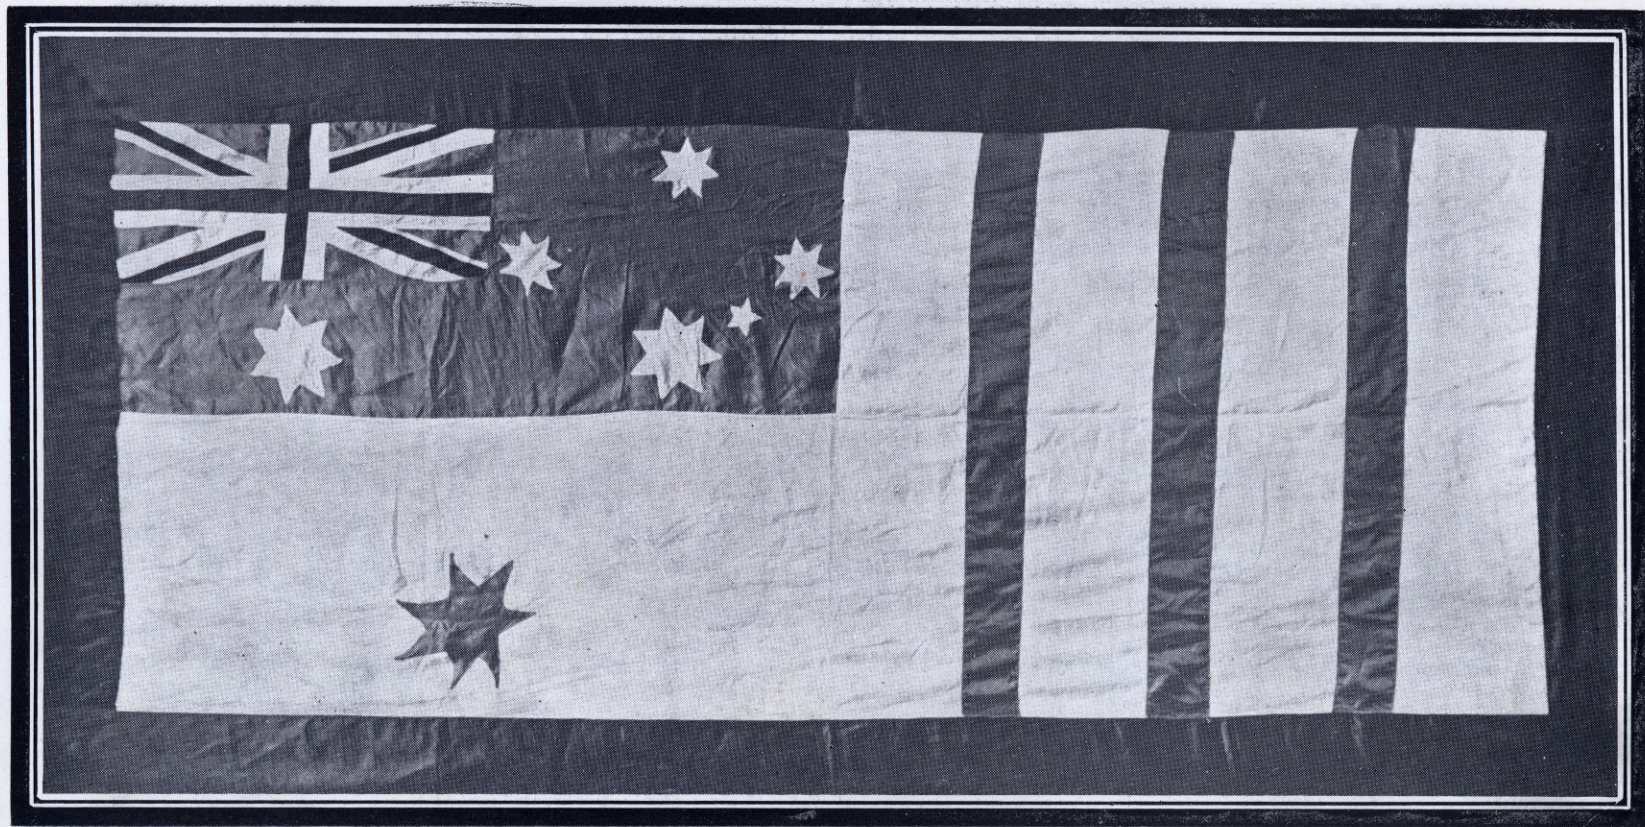

IT was recognised by the citizens of the town immediately the Boys began to answer "The Call" that they must be sent away with stout hearts and a profound knowledge that those who were compelled to remain at home trusted their all to the brave men who were going forth to fight. To have this part of the work attended to and carried out as its object merited, a Send-off Committee was formed in 1915 for the purpose of arranging Send-off Socials to the Boys leaving for the front. Several functions were held in the Windsor and Wilston School of Arts and presentations were made to the men. This Committee made a recommendation to the Windsor Town Council that an Honor Certificate, neatly framed, should be presented to each man who went away and this suggestion was adopted unanimously by the Council and carried into effect.

Alderman C. Taylor who was Mayor when the Committee was formed was the first Chairman and he was followed by his successors in this office - Ald. R. B. Lane and Ald. A. Inglis.

Mr. W. F. Bevington acted as Secretary and Treasurer to the Committee.

Part of Rosemount Military Hospital.

War Loan Flag This HONOR FLAG was won by the Town in connection with the Seventh War Loan Appeal. The town's quota was fixed at £20,000 and the amount subscribed was about £50,000 thus entitling the town to the *Silk Flag* with three bars.

(WEST WARD)

Town Council Every phase of War Work has had the full support and co-operation of the Alderman of the town. This in addition to the ordinary municipal duties has been a heavy strain upon the members of the Council particularly upon those who have occupied the position of Mayor. Many of the special appeals made throughout the town have been organised by the Mayor for the time being. The following have held the positions of Mayor and Mayoress during the period of the War:—

- | | |
|---------------------------------|---------------------------------|
| 1914 - Ald. & Mrs. W. H. Clark. | 1915 - Ald. & Mrs. C. Taylor. |
| 1916 - Ald. & Mrs. R. B. Lane. | 1917 - Ald. & Mrs. A. Inglis. |
| 1918 - Ald. & Mrs. W. A. Jolly. | 1919 - Ald. & Mrs. W. A. Jolly. |

Acting on the suggestion of the Send-off Committee the Council had a suitable Honor Certificate prepared and a copy of same neatly framed has been presented to every Windsor man who has enlisted. The Town Clerk (Miss A. Thorpe) and Office Staff rendered very valuable assistance in connection with all Patriotic work generally.

Other Work

■

IN connection with "The Do-without Week" Appeal in 1916 the Mayoress, (Mrs. R. B. Lane) organised an effort which realised something like £500. All other appeals such as Y.M.C.A., Belgium, and Patriotic Funds, have met with a ready response. It is of course impossible to give a record of the wealth of service rendered in the city by the Ladies of the Town in War Work generally. The Windsor Town Band and Windsor Amateur Orchestral Society, (under conductorship of Mr. A. Kyne.) have rendered valuable assistance at the various Patriotic Functions. Alderman T. Prentice and Mr. W. T. Hartland, Secretaries of the Windsor and Wilston School of Arts Committees, have also given great help in this direction.

Official Welcome Home

■

THE Mayor and Aldermen of the Windsor Town Council have issued invitations to all Windsor Soldiers to be present at an Official Welcome Home to take place at Woolloowin State School Grounds on Saturday, 11th October, at 3 p.m. and to a Social and Dance at the Exhibition Hall on same evening at 8 p.m. His Excellency the Governor, (Sir Hamilton Goold-Adams) has accepted an invitation to be present at the afternoon function, when copies of this booklet will be presented to all Windsor Soldiers.
